

Wetcleaning, Bleaching, Drycleaning 101, Beginning and Advanced Spotting

***Presented by A.L. Wilson Chemical and
Kenney Slatten Training Co.***

This seminar is for individuals who are looking to expand their knowledge about Drycleaning, Wetcleaning and Spotting. The seminar is geared towards all employees in a dry cleaning establishment, whether they are Managers/Owners, or Customer Service Representatives. By attending this seminar you will learn the fundamental principles of cleaning and spotting.

The Kenney Slatten Training Company provides complete training for drycleaners. Started in 1987, Kenney became the first instructor for California E.P.A, OSHA, and state regulations. Kenney publishes a 36 point plant requirement every year in trade publications which is his guide for plant training and certification. Kenney provides drycleaning and laundry specific environmental training.

Kenney Slatten is a certified instructor/trainer for the Drycleaning & Laundry Institute (DLI), is actively involved in the California Cleaners Association and the Social Cleaners Association, and is an Allied Trade board member of DLI.

Topics covered in this lesson include:

- Effective Cleaning (principles, processes, and tools) in dry cleaning, wet cleaning and laundry.
- Stain Removal (agents and techniques).

A CARB re-certification class will be held immediately following this seminar.
